"Full-stack developer with a strong focus on building fast, responsive, and scalable web apps using the MERN stack. Passionate about UI/UX design and converting business requirements into user-first digital experiences."

---

## SKILLS

- **Frontend:** HTML, CSS, JavaScript, React.js, Next.js, Tailwind CSS, Shadcn UI, Aceternity UI
- **Backend:** Node.js, Express.js, Mongo DB, Mongoose
- **Tools:** Git, VS Code, Postman
- **Other Skills:** Figma, Wireframing, Prototyping, UI/UX, Photoshop

---

## WORK EXPERIENCE

**Web Developer Intern , IT Geeks Dewas**                              **July 2024 - Aug 2024**

- Developed proficiency in front-end technologies including HTML, CSS, JavaScript, and modern frameworks like React.js, Next.js, and Tailwind CSS.
- Integrated UI libraries such as Shadcn UI and Aceternity UI into various projects, enhancing user interface design and functionality.
- Built and deployed 8+ responsive front-end projects, collaborating effectively with team members while expanding skills in Node.js and Express.js for backend development.

**Graphic Designer Intern , InAmigos Foundation**                              **Feb 2025**

- Delivered high-quality graphic design projects for diverse clients, including logos, social media banners, and marketing materials.
- Successfully completed multiple projects with a 100% satisfaction rate, consistently receiving positive feedback and high ratings.
- Demonstrated proficiency in Adobe Creative Suite (Photoshop, Illustrator) to create visually appealing and professional-grade designs.

---

## PROJECTS

**Product Manager | Mongo DB, Express.js, React.js, Node.js, Restful APIs**

- Built a full-stack product management web app using MERN Stack, enabling users to add, delete, and edit products with real-time UI updates.
- Integrated and tested RESTful APIs using Postman, demonstrating strong backend development and API testing skills.

---

## EDUCATION

**Bachelor of Technology in Computer Science Engineering**
Medicaps University, Indore                              **Aug 2022 - Aug 2026**

- Relevant coursework in Development and Management.
